ABOUT THE EVERGLADES SEAFOOD FESTIVAL

The 2024 Everglades Seafood Festival marks its 54th year of celebrating the Stone Crab Capital of the World and local businesses. This legacy event attracts **50,000-70,000 people** from all over the country during the course of three days, featuring live country music, carnival rides, handmade arts and crafts, and all sorts of mouth-watering seafood, including fresh gulf shrimp, fish, stone crab claws and fried gator.

This year's festival is hosted by the Florida Stone Crabbers Association, a 501(c)3 dedicated to helping the children in Everglades City and the surrounding area. Your support not only benefits our local community but also offers a valuable opportunity to enhance your brand's visibility and recognition.
